

YMCA Camp Rocky Creek Financial Scholarship Program

Thank you for taking the time to find out how the Y may be able to help your child attend camp this summer. We tap all our available resources to help your children have a great summer. Organizations such as the Lebanon Valley Family YMCA, the Lancaster Family YMCA, the YMCA Campaign for Youth, and Camp alumni all donate funds to help children go to camp. **With their help we can offer additional assistance to families for whom our lowest Tier Price (Tier C) would be a hardship.** (See Below**)

Parent Participation

Parents are expected to participate by paying a portion of the total camp fee. All payments are to be made in accordance with YMCA tuition and fee policies. Payment plans are available with prior arrangements. Please contact our Camp Director at (717) 450-3565 for details.

How Much Can I Expect To Receive?

With all the efforts and support we are given, the need for assistance is greater. For this reason, the YMCA does not usually grant full assistance. Your share is based on the results of your application and can range from 10% to 90% of the Tier A price of the program you select.

When Will I Receive Notice of The Approval?

Applications will be processed only when all required information is received. Please double check all forms before sending them in as we cannot process incomplete applications. Completed applications are reviewed and notice will be given in approximately two weeks if received before May 31st. Applications are accepted throughout the summer, however, applications submitted after the start of camp may take longer to process due to the volume of camp work during this time of year. **We encourage you to apply early as many camps fill early in the season.**

How to Apply for a Financial Scholarship

Four Easy Steps (Please remember that incomplete applications cannot be processed.)

1. Please read this flyer carefully and review the 2022 Pricing Chart** below to decide if you will need assistance beyond Tier C.
2. Fill out one "Financial Scholarship Application" form for each family. **All sections must be completed.**
3. Gather all necessary supporting documentation and include copies with your application. **We cannot process applications without the necessary supporting documents.**
4. Mail or bring all information to YMCA CAMP ROCKY CREEK, Box 339, Cornwall, PA 17016, or email to campadmin@lebanonymca.org.

All applications are treated with confidence. Campers who receive financial assistance are included in the regular camp program with no regard to their financial status. Camp Staff and campers have no information regarding this status.

****YMCA Camp Rocky Creek 2022 Rate Chart (per week) and Explanation**

Teen Adventure Day Camp(Includes lunch)	\$210	\$200	\$190
CIT (2 weeks)	\$770	\$695	\$620

At the YMCA, we believe that all children should have the opportunity to attend summer camp regardless of the cost. Realizing that families have different abilities to pay, YCRC offers a "Three-Tiered Fee Structure".

The Goals of this system are:

- o To provide the highest quality programs possible
- o To serve all community income levels
- o To preserve camp for generations to come

Tiers:

- o Tier A: Represents most closely the actual cost of operating our program and facilities.
- o Tier B: Our partially subsidized fee for those families who can pay a little more, however cannot afford the actual cost.
- o Tier C: Our standard, historically subsidized fee. This rate does not reflect the true cost of operating camp.

This structure is on an honor system, and you may choose the tier that best suits your family. Every camper, regardless of the fee they pay, receives the same level of attention, programming, services, and loving care. If you cannot afford the cost of Tier C please apply for additional assistance by completing a YCRC Financial Scholarship application.

Day Camp Transportation: \$35 per week
