SUNSCREEN/INSECT REPELLENT RELEASE AND MEDICATION PERMISSION FORM

Parents are responsible for providing sun screen and insect repellent for their child(ren) to use at camp. Parents are expected to apply the first coat of sunscreen and insect repellent in the morning before bringing their child(ren) to camp. Day camp staff will stop activities for all children to reapply sunscreen and insect repellent at two additional times throughout the day.

Please complete the information below to give permission for YMCA Day Camp staff to apply sunscreen and insect repellent to your child.

The YMCA may apply any type/brand of sunscreen/insect repellent to my child Yes No

If no, please list any type(s)/brand(s) of sunscreen/insect repellent not allowed: _____

Please list any allergies to sunscreen/insect repellent: _____

I understand that YMCA Day Camp participants spend a minimum of 50% of their time outside and that the use of sunscreen may not prevent my child from being sunburnt, but will aid in protection against harmful sunrays. Likewise, the use of insect repellent may not prevent all insect bites or stings, but will aid in the protection against insect bites and stings.
