

Lebanon Valley Family YMCA

We build strong kids, strong families, strong communities.

February 7, 2023

Dear Friend,

Healthy Kids Day is the Y's national initiative to improve the health and well-being of kids and families. For over 30 years, YMCA's and their partners hosted free community events aimed to inspire kids and their families to keep their minds and bodies active throughout the summer months and beyond.

In partnership with the Community Health Council of Lebanon County, we invite you to participate in **Healthy Kids Day**, where we celebrate and promote healthy lifestyles for youth from birth to 12 years and their families.

Please join us **Saturday, May 6th, 2023, from 10 AM to 1 PM** for this carnival-inspired outdoor event hosted at the Lebanon Valley Family YMCA. The focus of the day is on education, activities, and entertainment. Interactive games, activities, and demonstrations are encouraged at display booths.

Vendors may begin to set up at 9:00 AM, but must be set up no later than 9:30 AM, and can begin tearing down after 1:00 PM. Please choose child-friendly items and giveaways and have someone present at your booth at all times. Please note a rain date has been set for Sunday, May 7th from 1-4. On the registration form, please check if you will or will not be available for both days.

Join us for this fabulous event promoting healthy development of the youth in our community. Please complete the registratin form indicating your ability to participate and return it no later than **Monday, April 6th, 2023**, to the following address:
