Lap Swimming Tips

Two swimmers swim in the same lanes during lap swim. Be respectful of others when choosing a lane. If more than 12 swimmers are in the water we will be circle swimming.

When circle swimming you will stay on the right side of the lane always. If you need to pass a swimmer tap them on the foot or pass them at the wall. Choose between a fast or slow lane.

Speed

- Please try to choose a lane with swimmers that most nearly match your speed

Faster swimmers should use lane 5 and more relaxed swimmers use lanes 4.

A deep water skills test may be administered at the judgement of the lifeguard: swim the length of the pool in adequate form at freestyle or backstroke, swim underwater for 10 meters, tread water for 1 minute and float for 1 minute
